PRIVATE CLIENT SERVICES | CORPORATE | TAX ADVISORY | INVESTOR IMMIGRATION

At Savva & Associates, our vision is to be the Cyprus's premier Corporate Services provider. Since 2009, we have been the fastest-growing professional services provider in Cyprus. We are acknowledged as the leading service provider in our field as a result of having one of the **strongest technical teams** on the island, adopting a **service-minded approach** unseen among our competitors, and being **the most cost efficient Tier-1 provider in Cyprus**.

Our team of highly experienced, qualified chartered accountants and lawyers work with clients and their advisors to establish and administer Cyprus structures to the highest level of international standards. We ensure that corporate structures contain the appropriate level of substance, and that all risks are clearly identified and communicated to our clients.

OUR PARTNERS

Savva & Associates, being one of the few Cyprus Securities and Exchange Commission licensed fiduciary and corporate services providers on the island, is engaged in the fields of Cypriot and international taxation, corporate administration, accountancy, fiduciary, investment fund licensing and administration, international trusts, special-license companies and business advisory services. We have built a reputation as being one of only a handful of Cyprus firms outside of the BIG4 with the technical capabilities to provide clients with high-level Cypriot tax and VAT advice.

Our Preferred Partners

Savva & Associates has partnered with a dynamic law firm and progressive audit firm, headquartered in Nicosia, Cyprus, to provide our clients with the most comprehensive level of professional service possible. Our common philosophy is our strong commitment to putting our clients first, and offering unparalleled service delivery, coupled with the expertise of accomplished professionals.

Our preferred legal firm, Nicholas Ktenas & Co LLC, is a dynamic boutique law firm based in Cyprus, offering a wide range of legal services with a focus on Business Law and Technology. The team boasts internationally recognised expertise in the areas of Corporate and Commercial Law, Banking and Finance, Privacy and Data Protection, Intellectual Property, eCommerce, Employment Law, Consumer Protection and Trust formation. By utilizing their vast experience and expertise, the firm is in a unique position to apply the skills and knowledge of a top tier international law firm while maintaining the benefits and attentiveness of a small local practice, offering a value-for-money service of the highest quality and a competitive advantage to its Cypriot and international clients seeking to take advantage of Cyprus's ideal geographic location, EU membership and favourable tax regime.

Our preferred audit firm, is an independent, dynamic, and progressive, fully licensed audit firm, based in Nicosia, headed by an ex BIG4 chartered certified accountant and comprising of a team of professionals, ready to support you with the utmost professionalism, integrity, and confidentiality. The audit firm offers audit, accounting and financial reporting, taxation and advisory services, and is staffed by mainly UK-qualified, ex-BIG4 chartered accountants.

With experts in multiple disciplines including taxation, accounting, audit, law, and investment fund management, who focus on delivering exceptional service, Savva & Associates has earned a reputation as Cyprus' premier tax and corporate services provider, delivering cost-effective advice and direction for clients with interests in Cyprus and abroad.

We work with many of the world's largest international legal and accounting firms, including BIG4, to provide reliable and timely Cypriot and international tax advisory services, and also facilitate all aspects of the formation and ongoing administration of Cyprus structures.

WHY CYPRUS?

Advantages of Cyprus

Cyprus remains a leader among international tax planning jurisdictions. Thousands of Cyprus companies are formed each year by foreign investors, exceeding that of any financial center in Europe. Cyprus combines a convenient location between three continents, low tax rates, financial stability and credibility, as well as a wide network of international treaties to avoid double taxation.

European Member State

Cyprus has been a full member of the European Union since May 2004 and has fully adopted the Euro as its currency since 2008. Cyprus-based businesses have full access to EU markets with all the privileges this entails.

Tax Benefits

Major business organisations and tax professionals across Europe, consistently rank Cyprus as the most attractive European tax regime. Cyprus has been commended for the stability of its tax law, the consistency in interpreting its tax legislation, its low tax rates, and its extensive network of highly favorable double tax treaties.

The Cyprus holding company regime is widely acknowledged as the most favorable in the world.

Infrastructure Benefits

Cyprus maintains a highly professional workforce to provide support to international businesses. The accounting, legal and banking sectors are well-developed with excellent telecommunication facilities. The island enjoys a high standard of living, within a stable and safe environment.

Legal system

Cyprus has a well-functioning legal system based on principles of common law and equity established through historical links with the United Kingdom.

The origins of Cyprus company law and other laws regulating business are traced back to the laws of the UK, updated for 21st century business practice and harmonized with European Directives.

The familiarity of the legal and commercial system assists international business people in working within the Cyprus commercial environment. English is spoken universally and is the accepted language of business.

FREE EXPERT CHECK

We understand our clients require a trusted expert professional to strategically guide them through the ever-changing complex, legal, tax, financial and regulatory EU and local legal frameworks. We have no doubt that our team is uniquely positioned to deliver this and we are happy to provide high-level guidance from our tax, financial and legal experts when considering the use of a Cypriot entity in an international structure.

We will give our initial comments free of charge or any obligations.
